Thinking Outside The Bottle

A Brewer's Blog by Mike Ferguson

2011 - Another Year Completed

The year 2011 was another good year for the brewery at Rudder's. We brewed more beer in 2011 than we have in the past few years.

The growler sales have increased both in new bottle purchases and in refill sales. If you are coming in to Rudder's to refill your empty growler, remember that refill specials are every Tuesday and Thursday.

The introduction of the 250th Yarmouth Anniversary Beer 'Pompey Dick IPA' was popular and sold well. We still have a little left on tap. So if Pompey Dick is your favourite draft beer, you may want to get some before it's all gone.

In 2012 I hope to be able to offer to you another new brew, however, is yet to be designed.

So let's lift our glasses in a toast to the years gone by and make 2012 a bigger, better and more prosperous new year.

Please enjoy our beers responsibly.

Rudder's would like to thank everyone for their support in 2011!! We are excited to serve you again in 2012!!

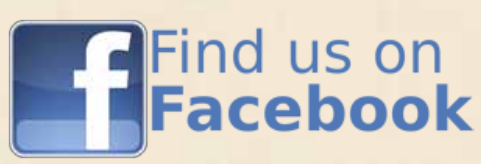

Remember there is live music three times a week at Rudder's with some great entertainers. If you go on the website and click on "Upcoming Events & Features", you'll find all the upcoming entertainment that plays every Wednesday, Friday and Saturday for the month of January.

On January 28th from 6pm to 9pm Rudder's will be hosting the **2nd Annual Ladies Showcase Night**. It will be a night of fun with finger foods, drink specials and prizes to be won. There's a great variety of venues like C & S Photography, Gold Canon, Watkins, Kustom Design, Carino Confections and many more. If you would like to showcase your business on this night, please call 742-7050 to register.

Just a reminder that Valentine's Day is just around the corner and as always Rudder's will be helping you celebrate with great entertainment and great specials.

Keep your eye out for the next newsletter for all the Valentine's Day specials.
